

Camp 2008 is just around the corner and as always we covet your prayers for all who will be leading or attending camps over the three week period in July and August. Please keep this newsletter and pray about the issues, people and requests that we have outlined.

# UPDATE

## Chapel Update

Plans to replace our Chapel store with a bigger mouse-proof building took a step forward in May when a small working party spent a damp Saturday clearing branches and trees. They were growing up against the old wooden building and threatening to accelerate its collapse! The clearance helped us see how the new building would fit and allowed our architect, Keith Loveless, to make measurements for the planning application. See back page for more photographs.

## Welcome to Wytch

We've managed to find [probably] the only flat and well drained field in the Purbecks! After fifteen years Adrian and Brenda have given up the tenancy of Rempstone and moved a bit further south (New Zealand), which prompted us to look again at our needs. For a trial period we'll be moving two miles west to Wytch Farm. This secluded spot has views of Poole Harbour in one direction and Corfe Castle in the other. Richard Pitman, the farmer at Wytch, has made us feel very welcome, for which we give God thanks. See insert for map and directions.

## Come and see the new site

Here's your chance to see Wytch Farm before camp! Join us with a helping hand to get things up and running for 2008.

## Equipment update

We are having to replace two of the most important items on camp this year – the cookers! After loyal service they have both had their day. If you have tasted the delights of camp cooking and would like to do so again in the future (or even if you haven't) perhaps you could help, with a donation towards the cost of replacing them, estimated to be in the region of £1500.

## Wanted...

At present 115 children have booked in, spread fairly evenly over the three weeks. However, the number of leaders attending is causing great concern. So, if you are thinking of coming to camp or you know of young people who might want to be leaders please encourage them to apply ASAP. See contact details on the back page. Forms available to download from our website.

# Please pray for: Summer camps 2008

## Discovery Camp

26th July – 2nd August

### CAMPERS

36

Age 13–16

Please pray for the all-new team heading up Discovery this year. For Overall Leaders; Paul & Corrine Wareham, that they will be guided by God in every aspect of camp life as they as they seek to stamp their own style of leadership on Discovery Camp this summer. Also for Toby Petridge, as Spiritual Leader, that he will be given the right words to say to each camper present and that they will be receptive to what God wants to say and do in their young lives. For Bryan Kyte and Laura Simpson, the Site Administrators as their first time in this role. For the cooks; Mark Maidment and Diane Lucas.

Pray that all may have the energy and stamina needed for camp and for the whole team of leaders that will seek to support them in a variety of ways.

## Explorer A Camp

2nd – 9th August

### CAMPERS

35

Age 9–13

Pray for Caroline Gatehouse and Chris Harris as they return as Overall Leaders and for the Spiritual Leader, Dave Knight. The junior camps are always very demanding with non-stop programmes full of games and activities. Pray for a good team of helpers that will support them throughout the week.

## Explorer B Camp

9th – 16th August

### CAMPERS

45

Age 9–13

Pray for the new joint Overall Leadership team of Phil and Christine Baul, and Peter and Julie Ebsworth. This camp almost full for the number of leaders available. Please pray that a few more leaders will join the team to help make it a great holiday week.

## For all the camps...

Please pray for enough transport and drivers. For the safety of everyone and the weather (last year was pretty horrible). Pray that there will plenty of good dry days and that there will be no repetition of the floods and mud of last year. Pray that God's name will be glorified in all we do and the Holy Spirit to be active in all aspects of camp whether that be in bringing us closer to God or coming to faith.
